If you are not the intended recipient, please notify the Office of the Registrar at Georgia State University. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by Georgia State University, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Georgia State University with a valid certificate issued by GeoTrust CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

GRADE POINT AVERAGE

Only grades of A+, A, A-, B+, B, B-, C+, C, C-, D, F and WF are considered in grade point average (GPA) calculations. The GPA is computed by dividing quality points by the number of credit hours scheduled in which a final grade of A+, A, A-, B+, B, B-, C+, C, C-, D, F and WF has been recorded. Quality points are calculated by multiplying the credit hours for each course by the point value of the grade earned. Credit by examination, credits which carry "S" or "U" grades, institutional credit courses, and courses specifically excluded by university policy (% grades) are not used in computing the cumulative grade point average.

TRANSFER CREDIT:

Courses transferred from another institution are not recorded individually, but are summarized by institution with totals.

OTHER INFORMATION:

Five quarter hours equal 3 1/2 semester hours or one course credit. A quarter is approximately 11 weeks. A semester is approximately 15 weeks.

Undergraduate courses are not included in summary data for graduate students, and graduate courses are not included in the undergraduate summary data.

Courses are reflected on the transcript by the levels of UQ (Undergraduate Associate Quarter), UA (Undergraduate Associate Semester), UG (Undergraduate Quarter), US (Undergraduate Semester), GR (Graduate Quarter), GS (Graduate Semester), LQ (Law Quarter), and LW (Law Semester).

Effective Summer term, 1988, the College of Law converted to a semester system. Effective Fall term, 1998, Georgia State University converted to a semester system. From 1970 through August 2009, Georgia State University utilized a grading system based on a 4.0 scale. Effective Fall 2009, Georgia State University began using plus and minus grades for the current grading system based on a 4.3 scale.

Consult the appropriate catalog for information regarding grading and symbols. Questions may be directed to the Office of the Registrar at 404-413-2900.
